As we recognized Earth Day on Wednesday, our students were reminded of how fortunate we are to learn and spend our days in such a beautiful place. Through reflection and shared experiences, students considered how being connected to our surroundings carries both gratitude and responsibility, and how caring for our place is part of who we are at Quilchena. Next week our Div 1 and 2 Band students will be taking part in *Music in our Schools* and performing at the Gateway Theatre. We wish them the best of luck!

TRACK ATTACK

It's that time of the year to lace up our runners and jump into track. Starting on Monday, grades 4-7 students will participate in *Track Attack* as part of their PE program. Students will rotate through different stations to introduce and help them prepare for our upcoming track meet. Please make sure to wear proper running gear and clothing (proper runners, shorts/track pants).

Save the date for our District Track Meet which will be held at Minoru Park on Wednesday, May 27th for grades 4-7.

More information will be sent home in early May.

Student Learning Survey 2026 PARENT INPUT NEEDED!

The SLS provides feedback on the implementation of curriculum changes, learning environment, student wellness and satisfaction, student belonging and engagement, and career preparation. We encourage parents/guardians/caregivers to complete a survey if they have a child(dren) in Grades 4 or 7. A parent may complete a survey for each child in the targeted grades and the parent survey is available in English and 16 other languages. [Student Learning Survey Link](#)

Your perspective as a parent is valued, and your participation is an important contribution to improving the educational experiences of children.

Freezie Sale!

To support our Grade 7 Farewell celebration, there will be Freezie sales on April 30th, May 12th, May 21st and May 28th! All students will be able to purchase Freezies for \$2 each. Thank you to the Grade 7 Farewell Parent Committee for organizing and to the Grade 7 students for helping.
