Class Placement Process 2026-2027

Each year as we enter June, we begin to make school organization plans for September based upon the number of students we know are returning, and new registrations. Before school ends in June, your child's current classroom teacher, resource staff, education assistants and administration will work together to place students for the upcoming school year. These plans are tentative until the first week in September when final student numbers are known. In the first few days of September, all staff meet again to confirm teaching assignments and review student placements.

In the organizational meetings, many factors are considered when placing students. Considerations include:

- learning styles and strengths
- social / personal characteristics
- students with special needs
- ELL Levels
- contractual obligations

As you can see, this is a complicated process, and this list is by no means exclusive, as there are many factors unique to a situation that must and will be considered.

If you would like the opportunity to provide the school with information about your child's placement for next year, you are welcome to send a letter to Mrs. Kusch at nkusch@sd38.bc.ca by Monday, June 8. We will not accept any letters that come in after June 8. The information you provide *should not include a request for a specific teacher*, but rather some important personal or educational information that will assist us in our decision. Please be aware that the final decision regarding placement needs to be a school-based decision.

PAC NEWS

PAC ANNUAL GENERAL MEETING

The Quilchena Parents' Advisory Committee will be having its final meeting of the school year on June 3. **Elections for executive positions on next year's PAC will be held at the meeting.**

Each school's PAC requires a Chair, Vice-chair, Treasurer and Secretary in order to operate. This wonderful group of people work together to put on school events and fundraisers that contribute greatly to your student's experience at the school and provide fundraising to support numerous projects every year like the library renovation, the new playground added in 2022, and support for field trips and classroom expenses.

All parents, guardians and caregivers are welcome to attend the meetings and run for the PAC Executive. If you are considering running for any of these positions or are interested in participating in the PAC to ensure our events and fundraising efforts continue, please join us at the school on June 3rd at 6:30pm. If you have any questions about the positions, please email us at quilchenapac@gmail.com.
