Travel Plans: If you are planning to travel outside of the country over the holidays, please remember to stay informed of COVID-19 activity at your destination, which can vary significantly and change quickly from one country to another and within regions of the country. Please see attached for more information regarding travel regulations and quarantine. If you will not be back to school by January 4th, please complete an absence form prior to leaving to ensure the office is aware of your return date.

Lost Something? Every term a bag full of useful clothing is taken to a local charity store simply because it hasn't been claimed. Is your child missing a sweater? A jacket? A water bottle? Please take a look at the image below and have your child come by the Lost & Found table next week to look for lost belongings. All unclaimed items will be donated on the 17th. Thanks.

Snow Day: It didn't last long but it sure brought joy and smiles to our Quilchena students! Please remember to dress for the weather (snow or rain) during our last week of school.
