In Other Quilchena News:

Daily Health Check: We would like to thank all families this year for your continued compliance with our mandatory daily health check, it continues to be a key component of our health and safety protocols. COVID continues to circulate throughout the province, and we must maintain our current safety protocols. As we head into our last few days of school next week, please continue to keep your child home from school if they are unwell or symptomatic.

Grade 7 Farewell Assembly: On Monday, June 27th at 10:30am, we will be having our *Grade 7 Farewell Assembly* to recognize our Grade 7 students who will be moving on to high school next year. **This assembly is for our students and Grade 7 families only due to capacity and limited space in our gym. Thank you Grade 7 parents for RSVP'ing your attendance. As we are at capacity for space, please do not add any more members to your party that we are unaware of.** Thank you for your consideration.

Summative Assessments: Communicating Student Learning (CSL)

This year all communication of student learning has taken place on your child's e-portfolio. You would have found ongoing formative posts throughout the year and summative posts at the mid-point of the year and now at the end of the year as well.

You will be able to access your child's Summative Posts and MyEd report today, June 24th. Please spend some time together, celebrating your child(ren)'s learning and hard work over the last year.

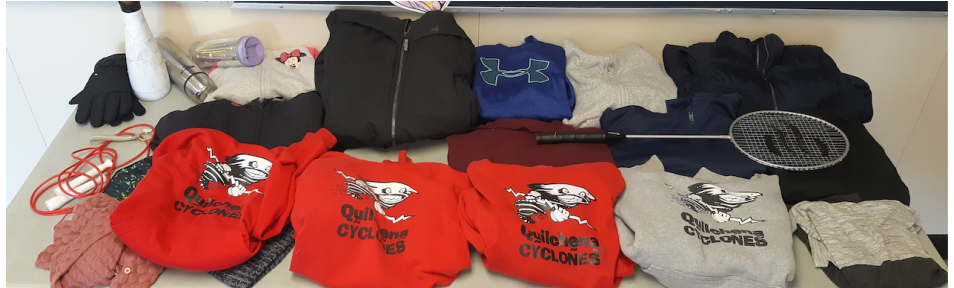

For our students leaving the Richmond School District (withdrawing, moving to a different district, etc.) you can export their portfolio to save their evidence of learning, reflections and assessments. This process will create a zip file on your computer and posts will be available in a web-based or image file. If your child is leaving the Richmond School District, it is imperative that this is done as soon as possible. Once the student becomes inactive, their portfolio will no longer be available. Please see the attached instruction sheet.

Notice of Late Return: School restarts on Tuesday, September 6th and we hope to see everyone on this date. Should extenuating circumstances prevent your child from attending the first day of school, please complete a Notice of Late Return Form (available on our website) along with a written explanation of why your child's return to school will be delayed, send these to Mrs. Kusch. It is the expectation that all students will be in attendance by Wednesday, September 14th. Failure to do so may result in your child losing their placement at Quilchena and they may have to attend another school upon their late return.

Lost Something? Every term a bag full of useful clothing is taken to a local charity store simply because it hasn't been claimed. Is your child missing a hoodie? A jacket? A water bottle? Please take a look at the image below and have your child come by the Lost & Found table next week to look for lost belongings. All unclaimed items will be donated on the 29th. Thank you.

Garden Volunteers: Thank you to those families who have already signed up to help. We are still looking for 4 families to help out with the garden care over the summer. The following weeks are available, please contact Mrs. Hughes if you are able to volunteer. July 25-31, August 1-7, August 22-28, and August 29-September 4. The full schedule and instructions will be emailed to families next week. Orientation will happen on Thursday, June 30th for new helpers. Thanks!
