

LEARN CODING FROM TECH INDUSTRY PROS

Middle Years Program (Grades 6-9)

\$350 (\$250 with Richmond district subsidy, limited quantities so register now!)

Get an early introduction to the basics of coding like variables, loops and functions in this after-school program. You will learn to design and code using the Swift programming language on Swift Playgrounds - available on iPad or Mac. There are 3 levels to this program, each one building on the fundamentals learned from the previous level.

Join us on this fun and exciting adventure! Attend our info sessions and register now. No prior experience necessary.

Sessions are online every Thursday from 4:00 pm to 5:15 pm (level 1) or 5:30 pm to 6:16 pm (level 2).
