# LEARN CODING FROM TECH INDUSTRY PROS

Middle Years: Intro to Coding

$368 / grades 6-9 ($268 after $100 district subsidy, limited quantities)

Get an early introduction to the basics of coding like variables, loops and functions in this after-school program. You will learn to design and code using the Swift programming language on Swift Playgrounds--available on iPad or Mac. There are 2 levels to this program, level two building on the fundamentals learned from level one.

Join us on this fun and exciting adventure! Attend our info sessions and register now. No prior experience necessary.

Online sessions every Thursday from 4:00 pm to 5:15 pm (level 1) or 5:30 pm to 6:16 pm (level 2).

For more information, visit gameofapps.org or scan the QR code.

Registration for early bird discount is Oct 7th, 2024
Registration deadline is Oct 18th, 2024
