

Welcome to the Richmond School District and to the 2024-2025 School Year!

The Settlement Workers in Schools (SWIS) program provides settlement support and services for immigrants, refugees, and newcomer families in the Richmond

School District. Our team works in schools and offer services such as:

- One-to-one and Family Orientations
- Online and in-person Information Workshops
- Referrals and Connections to Resources
- Connection Activities and Experiences

Each month, families will receive a newsletter listing upcoming events and/or activities that they can participate in. These workshops and group activities are wonderful ways to connect to resources, meet new people and learn useful information.

We look forward to meeting and working with you!
