The SLS provides feedback on the implementation of curriculum changes, learning environment, student wellness and satisfaction, student belonging and engagement, and career preparation. We encourage parents/guardians/caregivers to complete a survey if they have a child(dren) in Grades 4 or 7. A parent may complete a survey for each child in the targeted grades and the parent survey is available in English and 16 other languages. [Student Learning Survey Link](#)

QUILCHENA QUICK TIPS

EARLY WARNING VOICE MAIL:

#604-718-4073

If your child is going to be absent or late, please call the Early Warning phone number to leave a message (voice messages are preferred at this time).

Students who arrive late are asked to please sign in at the office upon arrival.

HAS YOUR CONTACT INFORMATION CHANGED?

Please inform the school office of any updates to your contact information. This includes changes to phone numbers, residential address, emergency contacts, or email addresses.

Keeping your details current helps us communicate important information in a timely manner and allows us to contact you promptly if any urgent matters or emergencies arise. Thank you for helping us stay connected!

MY CHILD NEEDS TO LEAVE EARLY

Send a note or email to the teacher in advance so your child is dismissed at the required time.

Students should sign out at the office if they are leaving early. As a courtesy to your child's teacher and classmates, if possible, please have your child leave at a natural break (recess or lunchtime). Leaving early, even just by a few minutes, can be disruptive to your child's education and to the entire class.

AFTER SCHOOL SUPERVISION Safety First!

Children who remain on school grounds after dismissal must be actively supervised by a parent or guardian at all times.

Miss Jessy—whom many of you know from the Before & After School Childcare program—is employed solely by the families enrolled in her care. She is not available to supervise the playground or monitor children who are not part of her after school program.

If your child is staying on the playground after school, it is your responsibility to be present and supervising them.

FOOD SHARING / FOOD ALLERGIES

There are several children within the school that have life-threatening food allergies. With this in mind, we have adopted a 'No Food Sharing' policy. The policy goes beyond simply refraining from sharing snacks and lunches but also to the classroom where special occasions might be celebrated.

Please do not send food to school containing any type of nuts, or traces of nuts (including Nutella, etc). Please do not send birthday treats or gift bags (communicate with your child's teacher for more information).

OPT-IN FOR TEXT MESSAGES

Our District uses SchoolMessenger to share important school and district updates including weather closures, emergency notifications, reminders, and time-sensitive announcements.

If you haven't already done so, you can choose to opt-in by sending a text message to 978338 with the comment 'Yes'.

A Peek into...Indoor Ringette

Ringette is specifically designed for speed and team play. Played with skates (or indoors like our Cyclones played), a straight stick, and a rubber ring, it is a non-contact sport emphasizing passing, with 6 players per side, a 30-second shot clock, and strict rules requiring the ring to pass over blue lines.
