The BC Elementary Track and Field Championships is open to all students from Grades 3-7.

It provides them an opportunity to try and compete in a track and field, and experience a fun, friendly competition with other students from all over BC. The Kajaks Track & Field Club would like to encourage Richmond schools to participate, as this meet was originally created in 1968 for the purpose of participation and having a major championship for the elementary age-group.

Richmond Ringette regularly hosts **FREE Come Try Ringette** events. [Click here](#) to view upcoming dates and to register.

IMPORTANT & COMMEMORATIVE DAYS IN OUR COMMUNITY

MAY 2026

Canadian Jewish Heritage Month: Canada is home to an estimated 400,000 people of Jewish heritage. Jewish Canadians have made and continue to make important contributions to our society, including medicine, theatre, engineering, music, architecture, academia, politics, law, the arts, and more. During this month, we also recognize the courage, determination, and resilience that members of Jewish communities have shown throughout history.

Asian Heritage Month: Over the last two centuries, immigrants have journeyed to Canada from East Asia, Southern Asia, Western, Central and Southeast Asia, bringing our society a rich cultural heritage representing many languages, ethnicities, and religious traditions. The people of this diverse, vibrant and growing community have contributed to every aspect of life in Canada - from the arts and science to sport, business, and government. Asian Heritage Month offers all Canadians an opportunity to learn more about the history of Canadians of Asian heritage and to celebrate their contributions to the growth and prosperity of Canada.

MAY 5

DUTCH HERITAGE DAY

A time to honour the sacrifices made by past members of the Canadian armed forces in the liberation of the Netherlands during the Second World War. It is also an opportunity to celebrate the many contributions that generations of Dutch Canadians have made—and continue to make—to this country.
